

Beautiful Home with Red Rock Views

An elegantly remodeled home nestled with miles of Forest Service as your backyard. Indoor/outdoor living is grand with an extra large pool area and patios. Inside, lots of bedrooms for guests and two private office spaces. Fantastic kitchen with everything including double oven, granite counter tops and wine cooler. Huge views out the living room and den. Big master with beautifully remodeled bath. Bonus casita is large with separate entrance. This remodel was done down to the studs and extensive. It is turnkey with nothing left to do except enjoy your massive views and lovely Sedona home for sale.
